

Dear Potential Sponsor:

On behalf of the Grayson County Agriculture Fair Foundation, this letter will acknowledge your generosity and commitment as a sponsor in the upcoming Grayson County Agricultural Fair on August 12-13, 2022.

Sponsors such as yourself are what makes the Agricultural Fair a success, whether through your financial contribution, personal participation at the Fair, or both.

It is the participation of sponsors and vendors that helps draw the public to the Agricultural Fair and provides the energy, interest, and engagement to create a meaningful experience for the public attending the Agricultural Fair.

The Grayson County Agricultural Fair Foundation has plans to expand the Fair in the future, including potential land acquisition for a permanent fairground facility and the addition of amenities, attractions, and components such as carnival rides, facilities for livestock shows, music concerts, rodeo events and other attractions.

Bold, far-reaching plans such as those listed above require a corresponding financial commitment and capital contribution from many Grayson County businesses, individuals and other entities to make those goals and visions a reality.

The Grayson County Agricultural Fair Foundations is a non-profit, 501 (c)(3) corporation under Virginia law and Internal Revenue Service rules and regulations.

Donations to the Foundation are tax deductible and are vital for the success of the Agricultural Fair moving forward into the future.

We are grateful for your commitment and support and hope to continue to partner with you to create a bigger and better future for the Grayson County Agricultural Fair.

Sincerely,

Grayson County Agricultural Fair Foundation

# Grayson County Agricultural Fair Sponsorship Form August 12 - 13, 2022

Agriculture is the number one industry in Grayson County and the main goal of the fair is to support and spotlight agriculture. Youth and Adults alike have the opportunity to showcase what they have been working on all year. This includes produce, crops, art, crafts, sewing projects and much more. This is also an opportunity for our local businesses, non-profits, government agencies and others to advertise, educate and support the community. Above all, the fair allows the community to come together and recognize how important agriculture is to Grayson County and its residents.

Your name and/or business will be listed on the Fair brochure and announced periodically throughout the entire Fair. Sponsors of \$100 or more will be listed on the Fair t-shirt; Sponsors of \$500 or more will have their logo printed on the Fair t-shirt.
